

English Noun Complete Guide

What is a noun in English grammar?

A noun is a word that names a person, place, thing, or idea.

Examples:

Person: teacher, doctor

Place: school, park

Thing: ball, computer

Idea: freedom, happiness

Nouns are everywhere—in every sentence we speak, read, or write!

Why Are Nouns Important?

Nouns help us:

Name people we love (mom, friend)

Talk about places we visit (beach, zoo)

Describe objects around us (pen, bicycle)

Express ideas and feelings (love, hope)

Notes: You cannot make a complete sentence without a noun!
